THE Blount County Democrat thinks that if a republican is chosen to represent Tennessee in the United States senate, the wily Narragansatt will be the man.

BLOUNT County Democrat: "The majority of the "low tax" element in

tioned favorably and widely in connection with the United States senatorship.

MADAME Thiers, widow of the cele brated French historian, diplomatist and politician, has been dangerously ill for some days. The report that she was dead was a mistake, but a cablegram received to-day states that the south on its merits, regardless of the is worse. Her illness is reported party demands or prejudices. she is worse. Her illness is reported to be the result of a shock received on the late occasion when the monument to her husband was unveiled A brutal interruption occurred, which greatly affected her at the time. and is supposed to have brought or her present severe illness.

COLONEL John E. Helms, editor of the Morristown Gazette, a staunch and able democratic paper, is a candidate for the office of secretary of state, a position to be filled by the next general assembly. He is a man of decided convictions and is always true to them, regardless of the cost, but from his trenchant and facile pen never flows detraction or anisrepresen for all the world like winnows in tation; always clear, vigorous and hay field. The heavy black eagle manly in style he has for many years ring so close to the water, bunting never flows detraction or misrepresenexercised a large influence in state of all sort, and a beautiful brown and politics. Two or three times he has yellow bird like a blackbird; vast sea held a subordinate, though responsible of grass, reeds and rushes, deceptive position in the organization of the to the eye of man, though no cast position in the organization of the legislature, and discharged his duties with the utmost efficiency and salfaction. He has strong claims upon his party, and if elected secretary of state he will acquit himself with fidelity and distinction, and show himself to be in every sense worthy of the high trust.

The freshness, neatness and loveliness of the villages surprise every one who knows that nothing high trust.

Bay St. Louis, Mississippi City and one or two other places, all summers one or two other places, all summers.

THE HEALTH QUESTION. The American Public Health as- and Mobile, lay enchantingly on the sociation. Sanitary Council of the sociation, Salitary Council of the Mississippi valley, and quarantino convention, all of which held sessions in vention, all of which held sessions in New Orleans, beginning last Tuesday, gulls and ducks, or the grating of the New Orleans, beginning has I desday, gulls and ducks, or the grating of the adjourned yesterds," sine die. The proceedings, which have been published daily, show the importance or these meetings. Not only Memphis, but the Ministippi valley and the whole country, manifested a lively interest in the proceedings of these considered. terest in the proceedings of these con- climes. yentions. The principal object sought to be attained was the question of An Electric Medical Miracle A the quarantine of the Mississippi Exchange. river. As usual, the doctors disagreed. A majority of the physicians, who were delegates to the convenvention from Louisiana, took
a firm and decided stand
a firm and decided stand

Sr. LOUIS.

A Minister Assaulted by Rufflans

Sr. Louis, December 11.—It has just transpired that while Rev. Dr. Goodell, pastor of the Pilgrim Congregational church, was passing along Tenth street, between Pine and Chestnut, carly last evening, he was assaulted by three ruffians, kno-sked down and badly beaten and cut about the head. The attack was evidently for the purpose of robbery, but the outeries of the doctor frightened his assailants, and they escaped before arrests could be made.

Saturday, January Ist, 1881, within legal hours, the following described property, situated in Shelly county. Tonna, to-wit:
